

Lower Hardres & Nackington COVID-19 – Help & Support Group

Help for our villages Seniors and anyone else needing support

In March 2020, Lower Hardres and Nackington Parish Council together with some kind volunteers launched our local COVID-19 'Help & Support Group'. This received a number of requests for support and we were pleased to have helped out at such a worrying and for many, distressing time.

Sadly, COVID-19 has not gone away. We may even be heading for further challenging times. For this reason, we are updating this notice to remind our parishioners that help and support is available and who to contact. Points of contact are as below.

This support can be anything from facilitating / delivering shopping or medications to simply someone to talk to on the phone or on the doorstep (keeping a safe distance) or dog walking etc.

Farm Shop 'Pre-Order / No-Contact' Arrangement:-

The Village Farm Shop has kindly set up an arrangement for seniors etc. You can simply pre-order over the phone, pay in advance and when you arrive they will carry your order out to your car thus ensuring you do not have to enter the shop or have any close contact with anyone.
